Saras Hope Foundation

giving children with cancer
"smiles, hopes and precious memories"

The charity was launched in 2007 inspired by our daughter Sara Hoburn who tragically passed away in 2001 after a two year battle with a rare aggressive form of colon cancer. Sara was 16 and had so much to live for and so much to offer the world. She was so brave and touched the hearts of so many people - she was a unique and special person who always had a smile for everyone, no matter how ill she was feeling. It is our aim to raise the funds to open a sunshine holiday retreat on the island of Crete for children and teenagers who have been diagnosed with cancer. We aim to fly the child and their family (parents, brothers and sisters) to the island and provide them with an opportunity to spend quality time as a "family" in a relaxing and child friendly environment. The foundation will provide 24 hour practical and emotional care and organise activities for the family and give the family an opportunity to recharge their batteries and something to look forward to at the end of the treatment.
